Series Description

This series consists of files of the National Aeronautics and Space Administration (NASA) Chief of Nuclear Emulsion Section at Goddard Space Flight Center (GSFC) (1959-1960), Chairman of Subcommittee on Particles and Fields for the Office of Space Science (OSS) (1960-1961), Director of Physics and Astronomy Programs for the Office of Space Science and Applications (OSSA) (1962-1966), Associate Administrator for Space Science (1967-1974), NASA Deputy Associate Administrator (1974-1975), NASA Associate Administrator (1975-1977), and Chief Scientist (1977-1979) John E. Naugle. Records contain materials collected by Naugle not only during his NASA career, but also prior to joining NASA and after his retirement reflecting and supporting policy studies and analysis; files on program development;

correspondence, and memoranda between NASA officials, private sources, and other U.S. Government agencies; records of official meetings; and speeches given before various organizations. Specifically, this series contains correspondence files; reports; meeting files; speeches; congressional briefings and budget files; space sciences; Orbiting Geophysical Observatory (OGO); international cooperation; earth sciences, Jet Propulsion Laboratory (JPL); Pioneer 10 and 11 probes; and Viking 1 probe.

General Notes

John E. Naugle's official papers are held by the National Archives, College Park, Maryland. Speeches held by the HRC have been digitized and placed on the public DMS. Naugle's oral histories held in the HRC have been digitized and are currently available upon request.

Keywords: space sciences; Office of Space Sciences (OSS); Office of Chief Scientist; Orbiting Geophysical Observatory (OGO); Office of Space Science and Applications (OSSA); cosmic rays; international cooperation; Explorer satellites; global warming; NASA Advisory Council (NAC); National Science Foundation (NSF); planetary exploration; radiation; Space Shuttle program; university affairs; Viking 1 probe; Wilfred E. Scull; George M. Low; and James A. Van Allen.
